

To whom it may concern

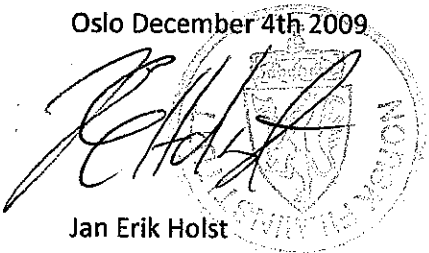

This is to certify that Mr. Eldar Einarson is one of the most experienced Norwegian film producers and directors. Since the end of the 1960' he has had a production of more than 30 documentaries for the National Television company NRK. He has also written and directed 4 feature films and written 2 novels.

In the USA he has produced a feature film.

For the time being he holds a Norwegian Governmental Honorary Artists' Remuneration (Statens garanti-inntekt for kunstnere).

We do give him our best recommendation for the developement of new film projects and will be at your disposal for further information.
